Congratulations on Completing Your Training!

Upon successful completion of the Samarth ABAT® Training Program

- **ABAT® Coursework Completion Certificate**
- **Official documentation of required 40 hours**
- **Issued by Samarth as your approved provider**
- **One of the required documents for QABA application**

What this certificate means

This certificate confirms that you have successfully completed the required ABAT® coursework through Samarth. It is a coursework completion certificate—not the official ABAT® professional credential.

Understanding the Certification Process

Who Awards the Official ABAT® Certification?

Step 1: Samarth Early Intervention Center

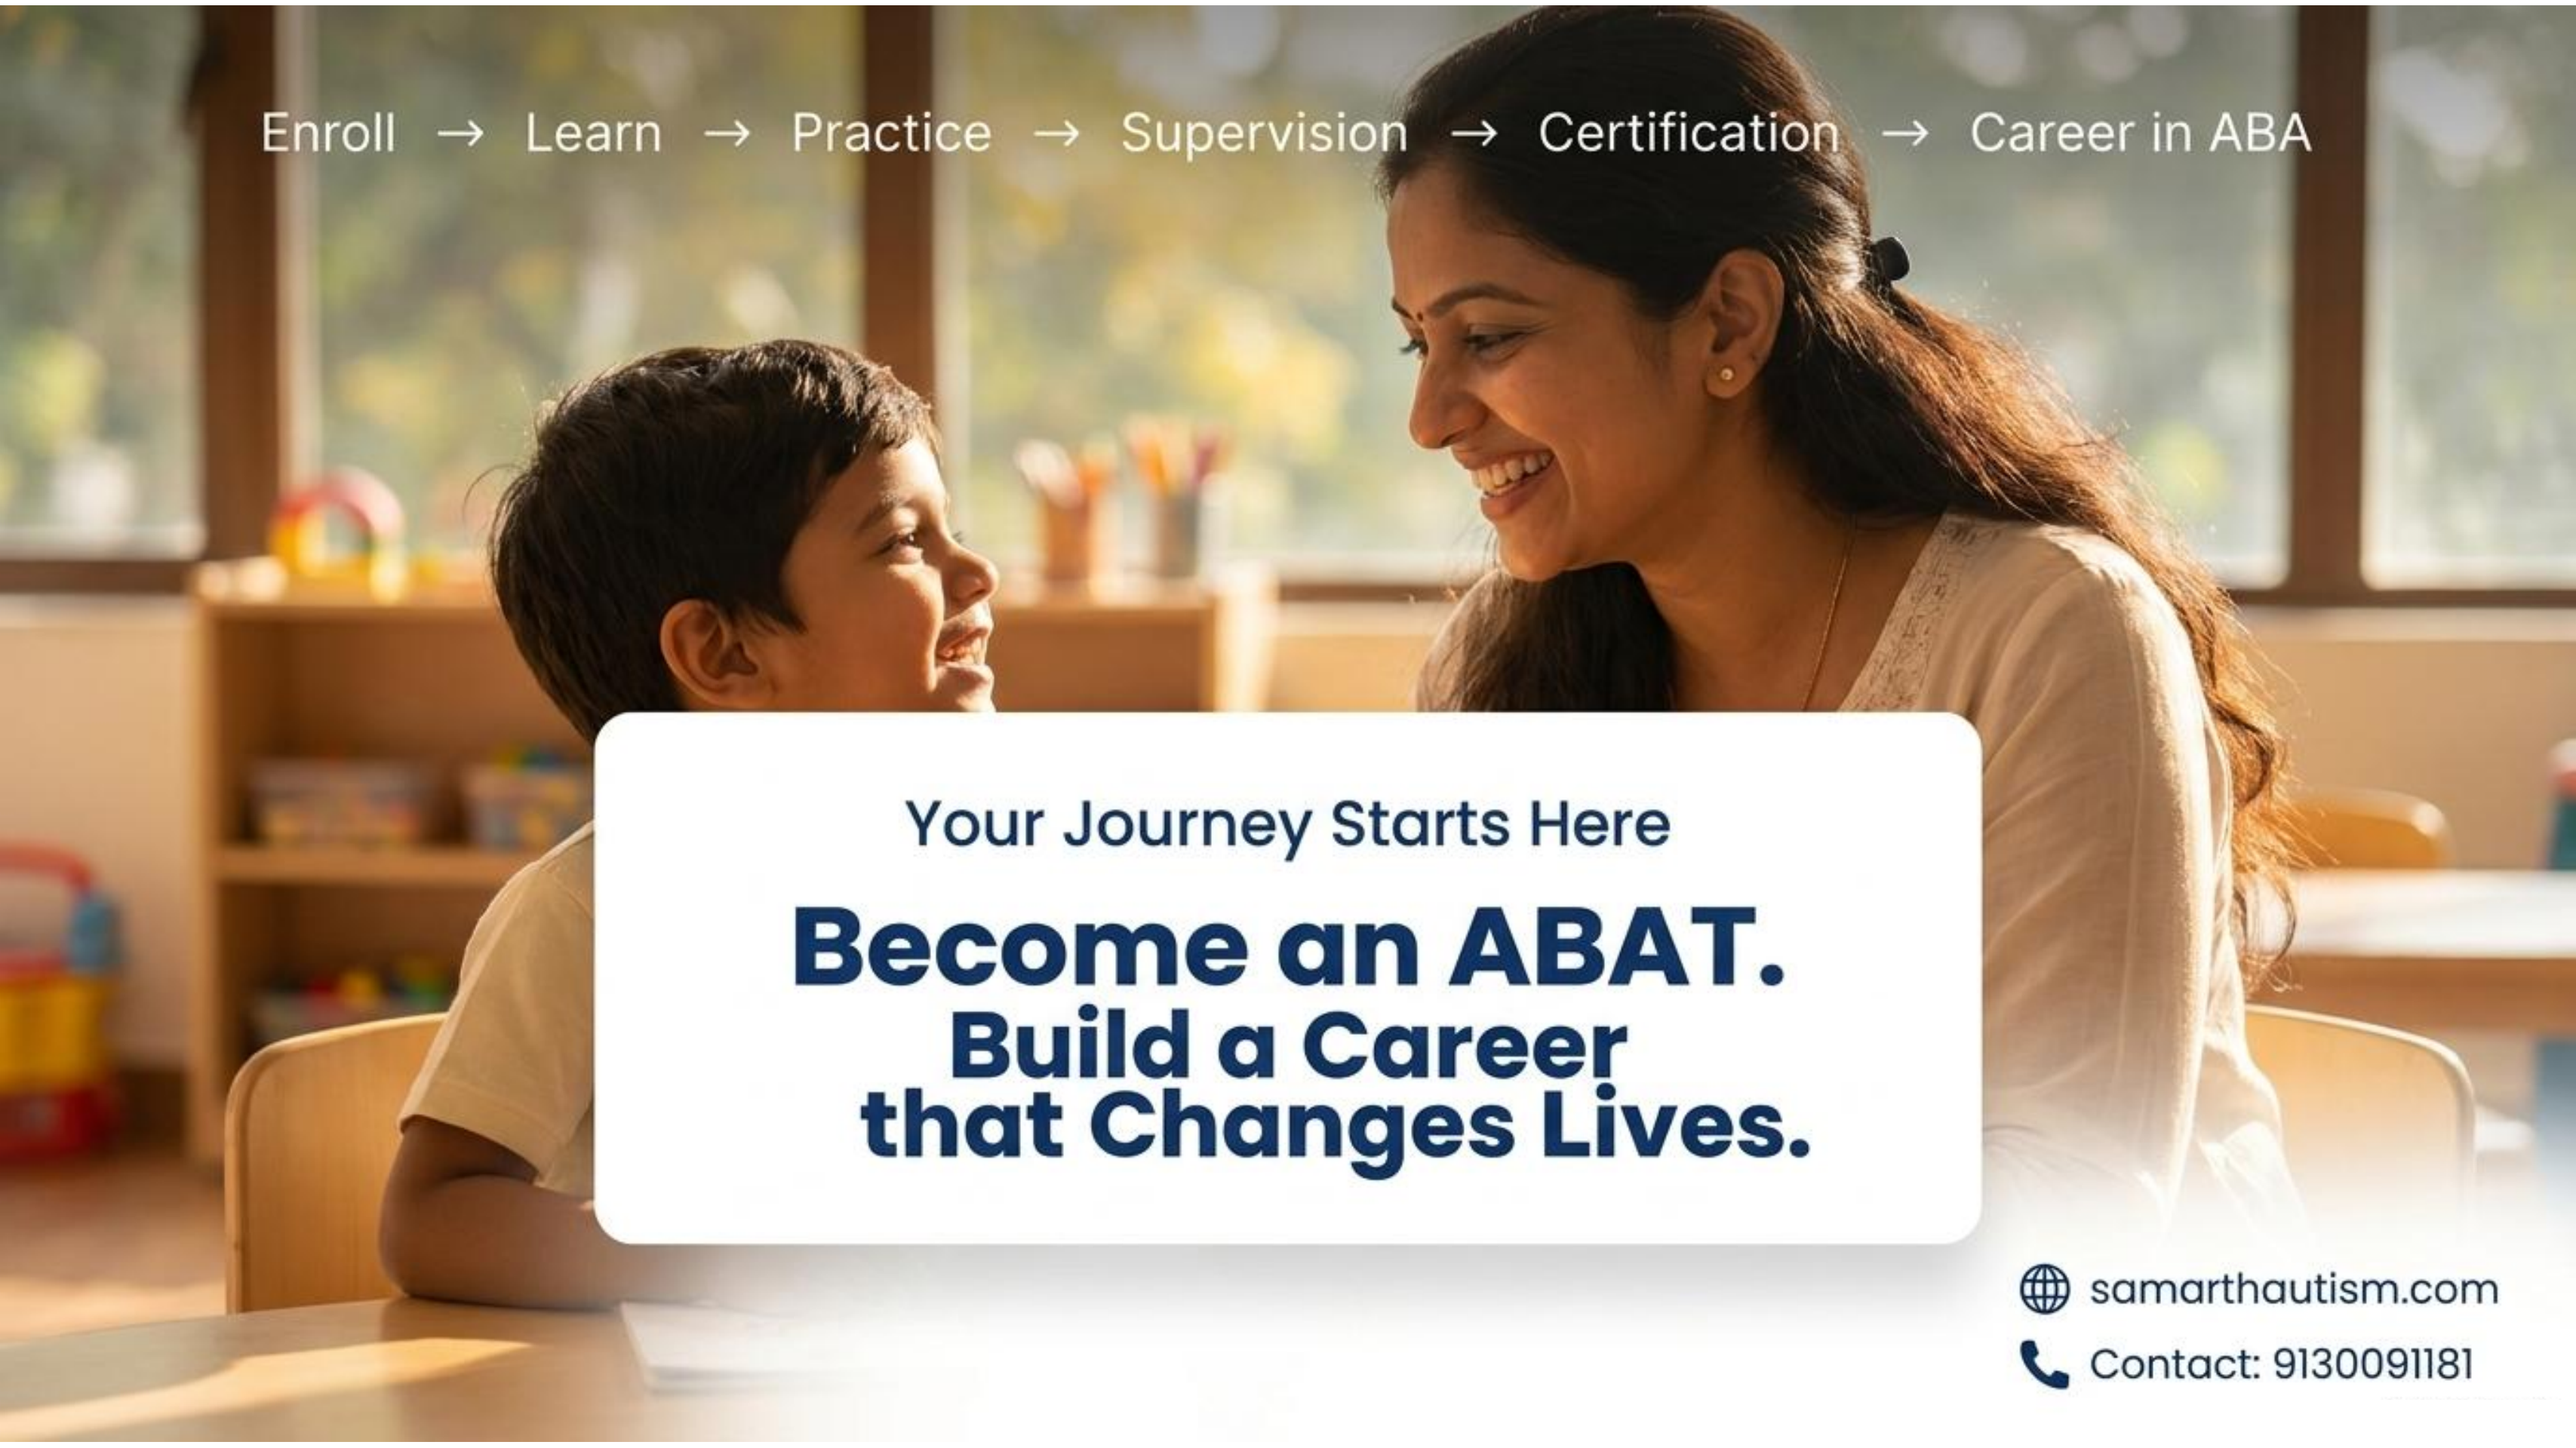

- ✓ Coursework Completion Certificate
- ✓ Proof of 40-hour QABA-approved coursework
- ✓ Eligible to apply for QABA certification

Step 2: QABA® Credentialing Board

Awards Official ABAT® Credential after candidate:

- Meets eligibility & submits documents
- Completes fieldwork/supervision
- Passes ABAT® examination

Important: Samarth provides the ABAT® Coursework Completion Certificate. The official ABAT® Certification is awarded independently by the Qualified Applied Behavior Analysis Credentialing Board (QABA®).

Enroll → Learn → Practice → Supervision → Certification → Career in ABA
